

Antitheft systems Sensors

Alarm systems can benefit from increased security levels by adding one or more sensors.

AM5462

Description:
hyperfrequency volumetric sensor

Key features:
adjustable sensitivity
not visible when fitted

AM5452

Description:
level monitor

Key features:
detect lifting of vehicle by 2 degrees
protection against wheels theft
protection against tow-away

AM2057

Description:
shock sensor

Key features:
protection against wheels theft
protection against tow-away

AM5462 – AM5452 – AM2057
