

## Antitheft systems Modules

Additional modules can be fitted as stand-alone (AM1046) or added to the main systems to bring more security and comfort.

### AM1046

- ✓ Keyless entry
- ✓ Allows existing central door locking systems to be activated from a remote control providing additional comfort
- ✓ Controls comfort window closure and blinker indicator

### AM2980

- ✓ Universal window closure module for two electric windows
- ✓ More security and comfort

### AM8509

- ✓ Double engine immobiliser for Cobra 4600, G100 and G300 antitheft systems
- ✓ More security
- ✓ Required to comply with the most severe insurance standards
